28th, 29th and 4th July Bikeability

29th Full Governing Body meeting

30th Reserve Sports Day

30th Honeywood Y6 Transition Day

Jubilee Celebration

The children have been busy making cakes, biscuits, crowns and bunting for our celebration today.

Art Gallery

We have a lovely display of Jubilee pictures and models. Thank you to all of the children who took part.

Time Capsule

We have lots of interesting items in our Time Capsule which will be buried on Friday to mark the Jubilee. We have also purchased (thanks to FOSP) a plaque to go next to our tree which will be part of the Queen's Canopy.

The children have made suggestions and will see the contents of the capsule before it is buried. Maybe one day they will be parents, teachers or grandparents when the capsule is unearthed.

FOSP Inflatables

We had wonderful weather for our Inflatables day last Sunday and it was great to see so many people. Thank you to FOSP and all of the volunteers who ensured that the day ran so smoothly.

The event raised an amazing £2,400.

Artist in school

As part of our work with the Pimlott Foundation, Lois Cordelia, a professional portrait artist came to school to work with some of the children. Their finished portraits were displayed at an exhibition in Colchester over the weekend.

Coggeshall Craft Fair

Some of our children visited the Essex Craft Society, Artists in Action Fair on Friday. They were able to see demonstrations of crafts and were able to try some of the activities. They particularly enjoyed making jewellery and trying the potters wheel.

Road Safety

The children in Year 5 had a road safety talk this week.

Coggeshall Historical Society

As part of their local history study, the children in Year 5/6 had a talk from the historical society this week.

Football/Netball Rally

Well done to the children in Year 3/4 who all participated with great enthusiasm. It was lovely to see the sporting supportive behaviour. Thank you to the parents and carers who came to support the event.

Pre-school

Some of the Pre-school children enjoyed their trip to Coggeshall Fire station as part of their learning about People who help us.

Design and Technology

The Year 1/2 DT project this term is to design, make and decorate bags. Here are some examples from Cherry Class.

Recycled ink cartridges

Please help us to fundraise by recycling your used cartridges in the Coop or in the box in the school foyer.
